Team Packet for Gymnastics at Culprit

We are so excited to have you as a part of our team! At Culprit Athletics, we believe in a fun and positive approach in the development of your competitive gymnast. We know that there is a lot of information to keep up with when you first join the team, so this is just a quick reference guide to help you with information to get started.

Coaches :

Austin Culp

Brooke Lee

Katie Fleming

Arika Culp

Shania Green

Full coach bios are posted on our website

Tuition and Training Hours :

Monthly tuition is due by the last training day of the first week of every month.

There is a “Team Fee”, which is what Culprit factors competition Fees, floor choreography, and routine music into (Choreography is to be scheduled outside of regular training hours. If music selection is not submitted in time, a mix may be provided)

****Team Fee does not include booster and uniform and State/Region fees.****

Payments may be set up online for one time payment or automatic recurring payments. Tuition is based on number of weekly training hours.

Team Fee

- \$90 Monthly Payment
- Two Payments of \$500, then \$400
 - \$90 discount
- One payment of \$870
 - \$120 discount

Please write in your team fee of choice _____ Initial Here _____ Date _____

Training Fee

- Based on Hours per Week
 - 6 hours: \$115
 - 9 hours: \$145
 - 12 hours: \$190
 - 16 hours: \$225

Please write in coaches recommended hours _____ Initial Here _____ Date _____

Details:

1. All team members must have a current card on file and be signed up for auto bill.
2. Training hours have corresponding days
3. One guardian has to be a member of the gymnastic booster.
 - Booster is responsible for everything outside of specific gymnastic business.

Connected :

Our team has a private Facebook page. Information and reminders will be posted there, although all payment information or enrollment information will be sent via the email address you have on file. Coaches are always happy to schedule a meeting with parents in order to discuss their training progress. All payment and training scheduling information will be handled by Frontdesk.

Booster Club :

Culprit Booster Club is an important aspect of our success as a team. Families are encouraged to participate. One representative from each family is required. Meetings are held once a month if necessary. Fundraisers and activities are held throughout the year to benefit the team and your athlete. Booster fees may be applicable if fundraisers are minimal. Please join our Facebook group to stay current on all fundraising opportunities.

Parent Viewing :

Parents are encouraged to view practice once month. All other practices are closed practices. A link on our Facebook page will help you better understand the benefits of closed practices. Parents are not allowed on the floor at anytime during, before, or after practice. Culprit believes strongly in reinforcing the parenting role as well as the coaching role in each child's training. They are different roles, and we ask that you join us in the above requests.

****Snack time is encouraged, but we ask that during the allotted time, athletes stay within the designated area.****

Meets and Performances :

We strive to select meets within 100 miles of Dalton. State Meet location is selected by USAG GA committee and may be more than 100 miles.

Additional Competition fees for State Qualifiers and Mobility scores may apply.

A \$57 USAG membership fee is required annually prior to competition season for all returning athletes and prior to first competition for new athletes.

Culprit Gymnastics competes as a team. If for some reason you are unable to make a meet for personal reasons, you are opting to forfeit meet fees. Special cases will be handled by Austin Culp in which a refund for meet fees will be up to Culprit's discretion.

Culprit strives to offer the highest level of training, but our ultimate goal is the positive development of each child who comes through our program. We are committed to their development as young people first and foremost.

If you sign below, you are committing to Culprit's 11 month competitive season, our booster club fundraisers, associated fees, and training hours. Welcome to our amazing team!
