

We are so excited to have you as a part of our team family!

At Culprit Athletics, we believe in a fun and positive approach in the development of your competitive cheerleader. We know that there is a lot of information to keep up with when you first join the team, so this is just a quick reference guide to help you with information to get started.

Our Mission: The mission of Culprit Athletics is to *positively change lives* in the community through **sports performance training**. We *strive for excellence* and seek to produce the *utmost discipline in athletes*, while also *fostering creativity, encouraging teamwork, and supplying them with tools for life*.

Tuition and Training Hours

Choreography Camp

Your athlete will be brought in for a 3 day session to learn their custom team choreography for the year. (\$300 value)

Routine Music

We contract with Sunrise Music Productions for THE BEST music every year. Everyone agrees. (\$100 value)

Competition Fees

These include what the competition charges us per athlete, and what it costs us to send our coaches with the team. We guarantee a minimum of three competitions (\$1100 value).

Team Fee: \$1500

Prepaid discount: \$999

You save \$501 by prepaying for the season! Help us, help you, save \$\$:)

Team Fee does not include booster, apparel, USASF, and Nationals fees.

Team Training:

Practice 2x weekly (\$159 Monthly)

Senior Teams: Wednesday and Fridays

Weekly Tumbling Class

Your choice.

Performance Training BONUS

Saturdays at 9am

Details:

1. All team members must have a current card on file.
2. One guardian has to be a member of the Culprit booster.

Stay Connected :

Our team has a private Facebook page. Information and reminders will be posted there, although all payment information or enrollment information will be sent via the email address you have on file. Coaches are always happy to schedule a meeting with parents in order to discuss their training progress. All payment and training scheduling information will be handled by Frontdesk.

Booster Club :

Culprit Booster Club is an important aspect of our success as a team. Families are encouraged to participate. One representative from each family is required. Meetings will be announced. Fundraisers and activities are held throughout the year to benefit the team and your athlete. Booster fees may be applicable if fundraisers are minimal. Please join our Facebook group to stay current on all fundraising opportunities.

Parent Viewing :

Parents are encouraged to view practice on Wednesdays. All other practices are closed practices. A link on our Facebook page will help you better understand the benefits of closed practices.

Parents are not allowed on the floor at anytime during, before, or after practice. Culprit believes strongly in reinforcing the parenting role as well as the coaching role in each child's training. They are different roles, and we ask that you support your athlete.

Performances :

We strive to select meets within 100 miles of Dalton. One Nationals competition will be selected each year that may exceed the 100 mile radius.

Additional Competition fees for National Qualifiers may apply.

A \$30 USASF membership fee is required annually prior to competition season for all returning athletes and prior to first competition for new athletes.

Culprit's Code of Conduct

Conduct for Parents:

1. No coaching your child. We pride ourselves on being good at what we do, and we get offended when you do it for us :).
2. Be polite to other team members and the team parents. We are all working towards the same mission. We want a great family atmosphere for everyone.
3. If you have concerns, it should be approached in email or in an individual meeting with your coach.
4. Please be supportive of your child. Cheerleading is a demanding sport, and your children need encouragement above all else.
5. Be punctual. And have athletes at every practice. Cheer is a TEAM sport.
6. Discipline your children by means other than practice time. We work hard to make sure they love our program, and we don't want it used as a tool for negative reinforcement.

Conduct for Students:

1. Always be respectful of your coach, he or she will always be respectful of you.
2. Be respectful of other teammates. We share a love for the sport, and that should be more than enough!
3. Have a positive attitude, no matter the circumstances.
4. Be punctual. Coaches plan for your full practice time.
5. Be in practice uniform prior to practice.

Culprit Cheerleading competes as a team. If for some reason you are unable to make a competition for personal reasons, you are opting to forfeit meet fees. Special cases will be handled by Austin Culp in which a refund for fees will be up to Culprit's discretion.

Please list known vacation dates: _____

****All athletes are required to have 100% attendance two weeks prior to competition day****

Culprit strives to offer the highest level of training, but our ultimate goal is the positive development of each child who comes through our program. We are committed to their development as young people first and foremost.

If you sign below, you are committing to Culprit's 12 month competitive season, our booster club fundraisers, associated fees, and training hours. Welcome to our amazing team!
